Yamaha - NGK Outboard Motor Spark Plug Guide

You seem to be on the rite track. I havent had any problems with my E tech since it was traded in on a new Yamaha. I do have to say the Etech was a nice motor when it ran properly. Even with that said Im much happier with the Yamaha. Even on the E techs best day the Yamaha is a much better preforming motor. 75 hp tiller is what Im running.

PartsVu Knowledge

Perhaps both the Yamaha and Mercury outboards evolved from the early joint-project four-cycle engine. Some time ago--the precise epoch escapes my memory--there was a five-year co-manufacturing agreement during which Yamaha and Mercury collaborated to make a four-cylinder four-cycle outboard in the 40 to 50-HP range.
