A History of Britain (TV series) - Wikipedia

It's not as though the 2nd volume is entirely or even mostly a war history. The most interesting part of this volume was the retelling of the Great Fire of London. As I mentioned in my review of the first volume, it helps to be well acquainted with British history and even European history when reading this book.

A History of Britain: Volume 1 - Audiobook | Listen Instantly!

The British Isles became inhabited more than 800,000 years ago, as the discovery of stone tools and footprints at Happisburgh in Norfolk has revealed. The earliest evidence for early modern humans in North West Europe, a jawbone discovered in Devon at Kents Cavern in 1927, was re-dated in 2011 to between 41,000 and 44,000 years old. Continuous human habitation in England dates to around 13,000 years ago, at the end of the last glacial period. The region has numerous remains from the Mesolithic,

Download A History of Britain, Volume 2: The Wars of the ...

Volume II of Simon Schama's History of Britain purports itself as, "The Wars of the British, 1603-1776" (Volume I presumably compasses the preceding 56 hundred-odd years), but it is in truth, and of necessity, something more than that. While the martial conflicts of that age were certainly of central importance, it is in the smaller human dramas, those that caused the wars and those that resulted from them, that the most important lessons are to be found.

A History of British Birds (1843) - Wikipedia

As a result, the fifth volume was the first to appear in print, in 1754, while the first two volumes were published last, in 1762. The complete History of England is arranged in chronological order, as follows:

A History of Britain: The Wars of the British 1603-1776 by ...

A History of Britain: Volume 2 The series is available in the UK (Regions 2 and 4) as a six-disc DVD (BBCDVD1127, released 18 November 2002) in widescreen PAL format. Its special features include short interviews with Simon Schama, a text-based biography of the historian, and the inaugural BBC History Lecture of Schama's "Television and the Trouble with History".

A History of Britain Series by Simon Schama

William Yarrell's A History of British Birds was first published as a whole in three volumes in 1843, having been serialized, three sheets (=48 pages) every two months, over the previous six years. It is not a history of ornithology but a natural history, a handbook or field guide systematically describing every species of bird known to occur in Britain.

Schama presents Britain's history through a series of portraits - Wordsworth, Churchill, Orwell - like a stroll through the gallery of a stately home. He calls Britain 'the nation that had been born from imperial wars and sustained by imperial profits', as if the British people had not created Britain in their own land by their own efforts.

The History of England (Hume) - Wikipedia
