A History Of Malta During

During the Mintoff years, Libya had loaned several million dollars to Malta to make up for the loss of rental income which followed the closure of British military bases in Malta. These closer ties with Libya meant a dramatic new (but short-lived) development in Maltese foreign policy: Western media reported that Malta appeared to be turning its back on NATO, the UK, and Europe generally. [72]

A history of Malta during the period of ... - Internet Archive

World War II Along with the Great Siege of 1565, the most documented period of Malta's history is the Second World War. The Islands' strategic location once again made it centre stage in the theatre of war in the Mediterranean: a key stronghold from which the Allies could sustain their North African campaign and from which they could launch their eventual attack on mainland Italy.
