The Land Redistribution for Agricultural Development sub-programme is flexible enough to accommodate a number of types of projects. Purely residential projects would not be supported under LRAD unless beneficiaries seek to establish household gardens at their new residences, and unless funds for top-structure are sourced form elsewhere, e.g. Department of Housing.

### The Economic Effects of Land Redistribution ... - SpringerLink

Land reform in Zimbabwe officially began in 1980 with the signing of the Lancaster House Agreement, as an effort to more equitably distribute land between black subsistence farmers and white Zimbabweans of European ancestry, who had traditionally enjoyed superior political and economic status. The programme's stated targets were intended to alter the ethnic balance of land ownership. Inequalities in land ownership were inflated by a growing overpopulation problem, depletion of over-utilised trac
