Locations - Goemans

It is quieter than the Amana and allows the TV to be heard when cooking. I can't say it is the quietest, or if you will think it is quieter. That all depends on where you were before but for us, it is well quieter. The vent fan is noisy though, so that's that. You won't miss the oven beeping at you anywhere in the house.

Panasonic Commercial Microwave Oven (NE-1054F)

All appliances have a model number and a serial number tag located on the appliance. Generally they are available for the customer to find quickly. If you are unable to locate your tag, please see your original manual and or invoice from when you purchased the appliance.
