Arduino For Dummies by John Nussey - Books on Google Play

The most recent milestone in my life has been to write a book, something that very few people, including myself, would have expected. I was approached by Wiley, (the technical book publisher, not the rapper) to write a proposal for Arduino® For Dummies®, which I did. They loved it, signed me up and

Download Arduino For Dummies pdf. - electronic bo

Q & A with John Nussey, author of Arduino for Dummies. What is the best way for new Arduino users to get started? I'd say the best way get started with Arduino is to find a workshop near you and see where it takes you. Workshops really accelerate your learning and put you in an environment with like-minded people.

Arduino for dummies [electronic resource] : Nussey, John ...

I usually love the "for dummies" books and find them concise. This author spent the first part of the book telling me all the reasons I decided to buy one in the first place. The odds are, if I bought this book I probably already know what an arduino is and what it is for. An arduino isn't something someone buys because it is pretty.
