## **Why being aware of your mortality can be good for you**

I like that phrase. It makes more sense than 'the story of my life', because we get so many lives between birth and death. A life to be a child. A life to come of age. A life to wander, to settle, to fall in love, to parent, to test our promise, to realize our mortality- and in some lucky cases, to do something after that realization."

## **Life-Affirming Death Awareness | Psychology Today**

The other part is for death awareness as a phenomenon. A man may believe in the existence of heaven and hell, but in the case of non-actualised awareness of death, its real impact will be relatively modest. Treatment of death awareness in the value-regulative context in-evitably raises the need to treat it also in the framework of people's
