I've been a big fan of Marianne's writing, Be a Free Range Human, since my earliest days as a solopreneur; and in fact, she crossed my radar when my blog was just a budding baby side-hustle, but we hadn't connected in real-time until this conversation. A longtime advocate for going your own way in

Be A Free Range Human - YouTube

To me, a free-range human is the opposite to someone who feels really confined in how they're showing up and who they have to be in order to get paid. A free-range human is someone who has created a work-life - be it a business, be it a portfolio career, be it life as an author - that fits number one who they actually are.
