Belling 611BL - an old double oven with halogen top. I am having a problem resetting the clock after power failure. I have lost my manual. There appears to be no manual on-line. There are 6 buttons and I used to press the first 4 together to set the clock with the + and - buttons as the fifth and sixth buttons.

Kitchen Appliances for New Zealand Homes | Belling NZ

The one halogen element we have on this Belling oven out of the four (3 years old) started playing up last night. It would not turn off at all from the usual switch. Then it would suddenly go off for 5 seconds and then heat up again. Always going to maximum heat. I had to turn the whole oven off at mains socket.
