Since the islands of the eastern Caribbean are fairly close to the United States, this is one of the most popular routes for cruise ships in the Caribbean. Four and 5-night cruises usually only visit the Bahamas, while longer cruises add islands from other areas of the Caribbean.

Birds Of The Eastern Caribbean : Peter Evans : 9780333521557

2013 printing. Photographic field guide covering 180 species from the Virgin Islands to Grenada; includes a checklist. Copies slightly imperfect. Due to their position and wide range of natural habitat, up to three hundred species of birds have been recorded in the islands of the Eastern Caribbean. This includes the migrating birds from North America and the Arctic which come to rest in the
