### **Birthing From Within**

Birthing From Within advocates for mothers to allow their bodies to do the work of labor without much medical intervention. I can get behind that for the most part, but I think all birth books should discuss the historical and current mortality rates associated with giving birth.

England, a registered nurse and certified nurse midwife, developed the "birthing from within" approach in a series of birthing classes to help mothers reclaim and celebrate the spiritual, emotional, and psychological aspects of birth as a rite of passage. Her book is a collection of methods that have been used for class participants.
