7) Black Sabbath (1970) "Sleeping wall of remorse, turns your body to a corpse." The debut record hailed as the first heavy metal album was as good as it was choppy, and displayed many of Black Sabbath's abilities without hesitation. My hot take with Black Sabbath is that the title track is my least favorite song on the album. Not a bad ...

### **Black Sabbath at Wolfgang's**

This is, without a doubt, one of the toughest albums ever to review. You see, I have strong feelings about Technical Ecstasy, the 1976 release from Black Sabbath - and those feelings straddle both sides of the fence. On one hand, this is an album with which I have strong emotional ties, ever since finding a copy in the discount bin at Rolling Stone Records in Norridge nearly two decades ago.

### **The Rock'n'roll Vault - Black Sabbath with Dio - War Pigs**

...

The quartet released their 1970 dark debut, Black Sabbath, which many consider to be the first heavy metal album. While the record is openly blues-inspired, it was heavier than anything else before it, and though it was a decidedly dark record, it achieved commercial success, selling over a million copies.
