Authorama is a very simple site to use. You can scroll down the list of alphabetically arranged authors on the front page, or check out the list of Latest Additions at the top.

5 speed transmission swap - BMW E34 5 series Website

On my 95 e34, I was quoted 2100 parts and labor for a manual transmission swap. Things that are needed: Sometimes diff, driveshaft, transmission, trans mounts, clutch kit, new throwout bearing, pilot bearing, slave cylinder and lines, shifter linkage, removal of the auto tranny computer and someone with the know how to "trick it" (yes it's been done), new pedal assembly.

Hypothetical question - e39 528i auto > manual trans swap ...

E39 was released in 96 for god sake, it has electronics and so on but the "Bmw diseased know it all heads" know better that the car is too smart and swap is nearly impossible. I would not attempt a swap on a modern Bmw but e39 is not that complicated after all.

Transmission Swap in a 540iT | BMW M5 Forum and M6 Forums

While the Lexus and BMW here are quite even, the reality is that the BMW is an easier car to get in and drift. Since the manual transmission available in the BMW means you can either get in and go or easily find a trans and pedal assembly to swap, you have a very short amount of downtime, if any, before you have fun behind the wheel.
