Aruba's Boa Constrictor Crisis Let me say up front that I've never seen a Boa Constrictor during any of my trips to Aruba, or any other snake, for that matter. Be that as it may, there is apparently an alarming increase in the number of Boa Constrictors on the island.

World of Information - Americas

There's the Aruba Rattlesnake, which is very rare and lives mainly in the National Park. There's also a small non-venomous snake that lives on the island. The biggest problem is the invasive Boa Constrictor which can be found around the island, but isn't spotted that often.
