### Books | Henry Mintzberg

Henry Mintzberg revolutionized our understanding of what managers do in The Nature of Managerial Work, his landmark book. Now in this comprehensive new volume, Mintzberg broadens his vision to explore not only the function of management, but also that of the organization itself and its meaning for society.

### Books Henry Mintzberg

In this sure-to-be-controversial book, leading management thinker Henry Mintzberg turns his attention to reframing the management and organization of health care. The problem is not management per se but a form of remote-control management detached from the operations yet determined to control them.
