Margaret Sanger was a mother, a wife, a nurse and a radical. She demanded that women be provided with information on birth control. She was convinced that women should be in charge of social and economic change. Read this brief essay to learn about Sanger and her heroic acts of feminine rebellion. Report broken link

GoodTherapy | Objectification

Expanding the boundaries of the United States was in many ways a cultural war as well. The desire of southerners to find more lands suitable for cotton cultivation would eventually spread slavery to these regions. North of the Mason-Dixon line, many citizens were deeply concerned about adding any more slave states.

5 Reasons Why Kevin Samuels Teachings are Dangerous for Women

In the Dream House by Carmen Maria Machado

It is also mainly a female condition. Around 80% of patients included in French long Covid cohorts are women, aged 20 to 45. (Salmon-Ceron et al, 2020; Tran et al, 2021). These women frequently had a “mild” case of Covid, and were in excellent health before the onset of their disease. The feminization of long Covid is problematic.

Feminist Philosophy of Law (Stanford Encyclopedia of ...

The relationship between feminism and transgender theory and politics is surprisingly fraught. The goal in this entry is to outline some of the key philosophical issues at the intersections, and this can be accomplished only by attending to the history of feminist and trans politics as it has unfolded in the U.S. “Transgender” as a politics and “trans studies” as a twin of “queer ...

Feminist Anthropology - Anthropology

The mid-twentieth century women's movement—so-called second wave feminism—began as a liberation movement (see the entry on feminist political philosophy). The idea was that women are entitled to be free and equal citizens—as free as men to participate in their societies, to pursue their ambitions and determine their own lives.

History of feminism - Wikipedia

Feminist anthropologists first reacted against the fact that the discussion of women in the anthropological literature had been restricted to the areas of marriage, kinship, and family. Feminist anthropologists believe that the failure of past researchers to treat the issues of women and gender as significant has led to a deficient understanding of the human experience (McGee and Warms 1996 ...
