BRS Pathology - Endocrine. Also, because hypothyroidism, with secretion of less thyroid hormone, results in less saturation of binding sites on TBG (or increased unbound binding sites), the T3 resin uptake, which is inversely proportional to the number of unbound sites, will be decreased. Note: Total T4 and T3 resin uptake....

### **brs pathology Flashcards and Study Sets | Quizlet**

Despite many errors, I really like the BRS card sets. Especially micro and pharm. This pathology set, however, is a waste of time, money, and paper (very cheap, low quality card-stock, but still a waste). Maybe pathology is just to dense of a subject to use flashcards. If the answer is too easy or simple, you really don't need a flashcard.
