What is a scale model — a beginner's guide to building ...

Building models takes a lot of patience and craftiness, especially when it comes to aircraft. Model aircraft are basically small-sized replicas of historical, modern, or imaginary aircraft. Model aircraft can be made from a variety of materials, including wood, foam, metal, plastic, paper, and fiberglass. Most model aircraft hobbyists use balsa wood, card stock, and polystyrene. Aircraft design range from gliders to scale models.
