Enlightening lessons death can teach you about life: 1. The power of love. A few months after my father died, I found myself stuck. I was angry that he died and angry that I couldn't do more to help him. With the loving support of the people in my life, I was able to move past the anger and start to focus on the time we had together.

Teaching about death is an important life lesson for students. In later life, I feel that most people have an emotional aversion to tackling issues associated with death, dying and bereavement. In a similar vein, the sociologist Philippe Ariès believed that we live in a death-denying society that is reluctant to confront the basic fact that death is unavoidable.

I hope that the life lessons Chris talks about help others that find themselves in tough life changing situations and that they too find that "Faith,Positive Attitude,and Exercise",can help them!

Chris J. Hamilton

Looking right into the "eye of the monster," facing death directly, completely and fully, they surrendered to it — and their view of life was forever changed as they learned a lesson of life. These people had to decide, in the darkness of despair, what they wanted to do with the rest of their life.
