There is really not a large Chinese/Taiwanese concentration in the metro area. The west side of Denver is mostly Vietnamese, and the eastern side of Denver is mostly Korean. There are Chinese here, but they are sprinkled around the metro area instead of concentrated in one place. Look at this website for a little more information.

Note there is no single fixed definition of a scooter (also known by the full name motor-scooter), but generally a smaller motorcycle with a step-through frame is considered a scooter, especially if it has a floor for the rider's feet (as opposed to straddling the vehicle like a conventional motorcycle). Other common traits of scooters can include: bodywork (so the mechanicals are not exposed ...
