The history of women's circles | Well+Good

Tressa Berman's Circle of Goods examines several themes relating to tribal economies in the Northern Plains. Its core narration revolves around the system mentioned in her title: the "circle of goods" or, in other words, the circulation of various goods within these tribal societies. Ceremonial goods especially are central to tribal economies.

Circle of Goods compiles the stories of Native American women and examines their kinship, wage work, and informal economies. Responding to the upheavals of reservation life brought about by federal policies—from commodity rations to welfare reform—Mandan, Hidatsa and Arikara women, each with distinct histories and cultural practices, stand at the center of the Fort Berthold reservation economy.
