CCSS.Math.Content. 4.MD.B.3 Apply The Area And Perimeter

...

And I'll do perimeter here on the left, and I'll do area here on the right. And you're probably pretty familiar with these concepts, but we'll revisit it just in case you are not.

Perimeter is essentially

Access Free Common Core Area And

the distance to go around something or if you were to put a fence around something or if you were to measure-- if you were to put a tape around a figure, how long that tape would be.
