Kindergarten Common

Core Geometry

Practice K.G:

Kindergarten students

are expected to be

able to identify and

describe shapes as

squares, circles,

triangles, rectangles,

hexagons, cubes,

cones and spheres.

They also have to learn

to analyze, compare,

create, and compose

shapes according to

the common core K.G

standards.

Home | Common Core State Standards Initiative

The adoption of the
Common Core State
Standards (CCSS) is
arguably the biggest
educational shift in the
history of the United
States. Having a set of
national standards that
most states have

Bookmark File PDF Common

chosen to adopt is unprecedented. However, the bigger shift in traditional educational philosophy will come in the form of the Common Core assessment.
