**Sabinet - Journals**

The South African Constitution's adoption mechanism was unique. As the text mentions, the South African Constitutional Court had to "certify" whether the document complied with thirty-four Constitutional Principles that were agreed upon by the major groups in South African society at the beginning of the Constitution drafting process.

**Constitutional Law of South Africa - CLoSA**

The South African Constitution leaves the decision as to the manner in which a comparative interpretation is to be conducted to the courts. No criterion is provided instructing the court on how to select relevant foreign laws for consideration or establishing to what extent foreign laws may be used in deliberations and decisions. With such an open-ended authority, the use of foreign law could be tricky.
