Graphing pictures on desmos

I have assigned conic picture projects wayyyy before Desmos. My students did them by hand in the old days, and even on TI-83's (not easy) after that. This is the first time I ever did the project using Desmos, and it was a huge success. My students exceeded my expectations. Here is the project, some of which I got Mr. Sumerton.

Conic Section Art - Mrs. Miller's Precalculus Projects ...

The projects are all over my living room now, just waiting to be graded. For the newbies to this project - the concept is simple: use equations you have used, specifically conic sections, to draw something. The Desmos calculator is perfect for this task, and students turn in their graph-based picture, then a completed, colored picture.
