Cope's Early Diagnosis of the Acute Abdomen 22nd Edition ...

Cope's Early Diagnosis of the Acute Abdomen. Much of the original elegant text (with simple line diagrams) has been retained, and in this age of evidence-based medicine one might question some of Cope's maxims. 'Severe abdominal pain that lasts more than six hours is caused by some condition of surgical import'.

Copes Early Diagnosis Of The

The book was well characterized by a reviewer of an earlier edition for The New England Journal of Medicine: 'If only one book about surgery could be made available to physicians from all specialties, it should probably be Silen's recent revision of Cope's Early Diagnosis of the Acute Abdomen.'
