Criminology and Public Policy The purpose of this research paper was to review the position of criminology and criminal justice relative to the world of public policy. Despite an obvious relevance, the field of criminology has historically exhibited a reluctance to engage in questions of public policy in any systematic or concerted manner.

Criminology

Although isolated criminology theories have provided empirical insight into the important factors perceived and expected to explain delinquency and crime, no single theory can adequately explain all types of crime and delinquency or all of the variation in crime and delinquency.
