Cultural Psychology and Qualitative Methodology : Carl ...

Cultural Psychology and Qualitative Methodology is a text born of the frustration many who work at the interface of the study of culture and psychology encounter. As author Carl RATNER notes in the preface, during research for an earlier book on the cultural foundations of cultural psychology, he came to a general conclusion: "Extensive descriptions of complex behaviors in meaningful situations were more informative than studies that employed standardized, quantitative measures of simple ...

Review: Carl Ratner (1997). Cultural Psychology and ...

Throughout most of its history it would have been unlikely that the Journal of Cross Cultural Psychology would have shown interest in a special issue devoted to qualitative and methods. Indeed we were surprised by the tremendous support and enthusiasm shown by JCCP editors when we first proposed the idea for this project in the summer of 2006.
