### **Dark Water: A Siren Novel by Tricia Rayburn**

Dark Water wraps up the Siren trilogy really nicely. Even though Rayburn doesn't explore Vanessa's life after the trilogy ends, I have a good understanding of how she will do in the future. It is a very realistic ending, and I can't say much more than that without giving anything away. I've truly enjoyed the Siren series and am looking forward ...

Note: I read this book only for the sake of getting this trilogy over with, not because I like it or something like that. 1.5 stars, the 0.5 star is given merely because I don't find this book offensive (but those who take the Siren myth seriously might be offended by the Sirens in the story), still I am not going to recommend Dark Water nor its author to anyone.

### **Dark Water: A Siren Novel by Tricia Rayburn**

Dark Water is the last installment in the Siren trilogy and unfortunately, in my opinion, the weakest one of them all. I enjoyed the first two books immensely. In a genre that was suddenly flooded with mermaids (pardon the pun), I thought Rayburn's portrayal of sirens was original and refreshing.
