The Serious Problem With Gender Equality

Gender equality is possible because it has already been proven by people like Woodrow Wilson who believed women can be equal like men. Women proved that they can fight in the military alongside men. They have a basketball team but you still don't allow woman to play football. I know people against Gender Equality will say they do not have the physical strength. Why won't you at least let them prove themselves. If they can join the army in combat they can do anything that men do.

Debating Women's Equality : Ute Gerhard : 9780813529059

Many people believe that those living in western societies are living in complete gender equality - that men and women are treated the same for work opportunities to societal roles. While on a global scale it may be true, there are still a number of issues which make women less valued than their male counterparts.
