You can search Google Books for any book or topic. In this case, let's go with "Alice in Wonderland" since it's a well-known book, and there's probably a free eBook or two for this title. The original work is in the public domain, so most of the variations are just with formatting and the number of illustrations included in the work. However, you might also run into several copies for sale, as reformatting the print copy into an eBook still took some work. Some of your search results may also be related works with the same title.

Some states require that dental assistants obtain certification, usually through two- or three-semester-long training programs. Other states do not require certification, and dental assistants may train on the job. Some dental assistants go on to receive further training, to become dental hygienists, or even dentists, but it is possible to spend a career as an assistant.
