Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

Diary of a Professional Commodity Trader (PDF)

Diary of a Professional Commodity Trader: Lessons from 21 Weeks of Real Trading turned out to be a rather unique book in a way that it's the only Forex book that is based on the real-time trading experience rather than on the review of the previous charts and the past performance. Although the events described in the book are the past for the reader, they were added into the book on the go as they appeared.
