Dominion, which supplies the vast majority of Loudoun County's electricity. According to a 2017 Greenpeace report, only 1% of Dominion's total electricity comes from credibly renewable sources: 2% originates in hydroelectric plants,...

### **Digital Cities The Internet And**

Digital Cities tells the story of information technology use and inequality in American metropolitan areas and discusses directions for change. The authors argue that mobile-only Internet, the form used by many minorities and urban poor, is a second-class form of access, as they offer evidence that users with such limited access have dramatically lower levels of online activity and skill.
