Command Alkon | The Supplier Collaboration Platform for ...

Command Alkon, the Leading Supplier Collaboration Platform for Construction's Heavy Work, has recently won the 2019 Supply & Demand Chain Executive Green Supply Chain Award.

Dispatch & Logistics - Command Alkon

Command Alkon's COMMANDseries solutions have more than paid for themselves in the first year. We can plan more efficiently, and update more accurately when speaking to our customers. Plus, we were able to decrease our fleet size and reduce the number of hours it took to complete our work. That's what I like to call a sound investment."

Conactive Management | Europe

COMMANDoptimize relies on an optimization "engine" to continually evaluate your delivery requirements and then create and continually adjust an operational plan for your current and next dispatch day.
