Doing Cultural Anthropology: Projects for Ethnographic ...

Cultural/Social Anthropology. Cultural anthropology is the study of society and societal interactions, of the human way of life. Such research takes an on-site immersion in the field. It includes long-term observation and intimate knowledge of a community. As a member of the human race, each person has a foundation for which to base a project on.

Doing Cultural Anthropology: Projects for Ethnographic ...

The second approach in cultural anthropology, descended from French structuralism and symbolic anthropology, is interpretive anthropology or intepretivism. This perspective, championed by Clifford Geertz (1926-2006), says that understanding culture is first and foremost about learning what people think about, their ideas, and the symbols and meanings important to them.
