### Take a Minuet to Look at this Amazing Music-Themed Origami

Designed by the late, great master, Eric Joisel. Published in his booklet titled "3D Masks & Busts" which is available from the British Origami Society's website, here. If you are interested in the human form and Joisel's animated and lifelike figures, I highly suggest also picking up "The Magician of Paper", which is available here.

### Éric Joisel - Wikipedia

The world has lost a little of its light with the passing of Eric Joisel. For those of us fortunate enough to fold with Eric, the debate over origami as an art or a craft was instantly ended. With amazing skill, patience, and above all, humor, he inspired us to see and explore paper in ways we had never imagined.
