Essential SharePoint® 2010 approaches Microsoft SharePoint Server 2010 from a strict business value perspective, explaining exactly how to plan and implement SharePoint solutions to achieve superior business results.

Essential SharePoint 2010 Overview, Governance, and ...

Start your review of Essential Sharepoint 2010: Overview, Governance, and Planning This book gives a good overview of Administrative considerations for a SharePoint 2010 deployment. I found it particularly useful in thinking about an approach to designing site topology and governance rules, which was why I bought the book in the first place.
