Financial planning is an important aspect of event management. This chapter will introduce financial planning, control, and budgetary issues. Some budgeting software programmes allow the user to create customised templates, based on the needs of the client, the goals and objectives, and event-specific requirements.

Eventscotland Events Management A Practical

Our practical guide to event management was published to provide a resource of general advice and support material for event managers. Primarily, it has been designed as a support tool for the National Events Programme but it may also be of interest to the wider events sector. The aim of this guide is to assist effective event management through the provision of a step-by-step guide to the planning process, together with sample checklists and adaptable templates.
