Building Resilience Against Terrorism: Canada's Counter ...
Introduction. Organized crime affects Canadians' basic rights to peace, order and good government. Although the effects of illicit activities are not always obvious, all Canadians, through one form or another, feel them through victimization, higher insurance rates, fewer tax dollars to support social programs, and the eventual undermining of Canadian institutions and consumers.

Economics of Drug Policy and the Drug War | Drug War Facts
In 1943, the movement scored a great success in rescuing all but 500 of Denmark's Jewish population of 7,000-8,000 from being sent to the Nazi concentration camps by helping transport them to neutral Sweden, where they were offered asylum. The Danish resistance movement has been honoured as a collective at Yad Vashem in Israel as being part of the "Righteous Among the Nations".

Examining Intelligence Led Policing Developments
Sunday, the New York Times published a well-meaning op-ed about the fears of racial bias in artificial intelligence and predictive policing systems. The author, Bari A. Williams, should be commended for engaging the debate about building "intelligent" computer systems to predict crime, and for framing these developments in racial justice terms.
