Data Mining provides personalization capabilities to enable customers to implement accurate realtime recommendations and personalization capabilities into their online operations.

Oracle9i Database Feature and Option Availability

The SQL Expert certification does not have a database version associated with it and SQL knowledge does not really 'age' as does knowledge about specific database versions, so I don't see Oracle retiring the SQL Expert credential as it has for DBA certs in versions of Oracle prior to 11g. If you want the SQL Expert certification, then continue ...
