#### Phil 101: Putnam's Internal Realism

Strong Realism and Twin-Earth. The best-known example of this is the sequence of changes in Putnam's outlook as regards scientific realism; that is, the question of whether or not the world, together with its various objects, properties, structures and causes, objectively exists, independent of our minds and our senses. Some of Putnam's ...

#### Following Putnam's trail: on realism and other issues ...

Realism with a capital 'R,' following modern science, accounts for the fact that the object beneath me is both a chair and a collection of electrons by reducing the former to the latter. But this, Putnam argues, leaves the chair in an inferior ontological status--that of a mere mental projection--which it does not deserve.

#### English 10 A exam Flashcards | Quizlet

In particular, Putnam's realism about the 29 "unobservable" theoretical entities posited by science is a rejection of a positivistic instrumentalist construal of, say, electron-talk as highly derived talk about the behaviour of various scientific instruments (e.g. vapour trails in cloud chambers).
