## **Home Page | Equality and Human Rights Commission**

By defining equality in terms of individual rights\*, equality can not undermine freedom. However, variations in freedom between individuals can undermine equality. Freedom is a state of being, a right granted by society to act according to one's desire within the rules set forth by that society. Freedoms can vary by degree from society to society.

## **Freedom and Equality: The Human Ethical Enigma: Anthony ...**

Freedom and equality are often viewed as conflicting values. But there are at least three conceptions of freedom-negative, positive, and republican-and three conceptions of equality-of standing, esteem, and authority. Libertarians argue that rights to negative liberty override claims to positive liberty.

## **Human Freedom Index | Cato Institute**

At present, many egalitarians are ready to concede that equality in the sense of equality of life circumstances has no compelling value in itself; but that, in a framework of liberal concepts of justice, its meaning emerges in pursuit of other ideals: universal freedom, full development of human capacities and the human personality, the mitigation of suffering and defeat of domination and stigmatization, the stable coherence of modern, freely constituted societies, and so forth (Scanlon 1996).

## **Freedom and Equality Party - Wikipedia**

A society that puts equality—in the sense of equality of outcome—ahead of freedom will end up with neither equality nor freedom. The use of force to achieve equality will destroy freedom, and the force, introduced for good purposes, will end up in the hand of people who use it to promote their own interests.
