The difference between FU money and FU, money!

Answer Wiki: FU money, for me, is at least one year of expenses. With one year, you can comfortably say FU and spend a year either trying to find work you enjoy, or make work you enjoy by starting a business, or acquiring skills. Of course, more is better, but when I think to myself : I could take a year off and do whatever I want.

How Much Is Enough? A Formula for FU Money

It is one step up from FU money. FU, money is our way of expressing control over our financial life rather than the other way around. After all, it's better than saying F ME, money. Too many people have fallen into the trap of letting their money control their very livelihoods. Those who have F ME, money often do not have FU money. They are eating dusty rocks every night for dinner, not gravy-soaked mashed potatoes.
