How otherwise, we wonder, could one man writing alone and with so few predecessors compose the first systematic treatises on the psychology of the mental powers and on the logic of reasoning, the first natural history of animals, and the first civil history of one hundred and fifty-eight constitutions, in addition to authoritative treatises on metaphysics, biology, ethics, politics, rhetoric ...

Laboratory Manual Part I: Policies & Procedures

General Overview. Question: "Transmittance is measured in a percentage, which is easy enough, but what are the units for absorbance? I have a Bausch and Lomb Spectronic 20, and corresponding absorbance numbers are below the percentage transmittance. One hundred percent transmittance is 0 absorbance, 50 percent transmittance corresponds to .3, and 25 percent to about .6.
