German Multiculturalism by Brett Klopp - Praeger - ABC-CLIO

When it comes to immigration, we are, essentially, faced with two conflicting options: multiculturalism and integration. Neither the stop immigration policy of the far right nor the open borders policy of the far left is tenable. Some immigration is obviously desirable, and host societies must deal with it in a way that is fair to...

Merkel Admits: German Multiculturalism Has 'Utterly Failed'

It stipulates that integration is a joint responsibility of the immigrant and the state, that foreigners must learn enough about German life to live without assistance, and that a basic package of integration courses will be offered to facilitate this. The act also requires the government to develop an integration plan.

German Multiculturalism: Immigrant Integration and the ...

Within a short span of time, immigration has become one of the major issues in the field of European politics and social discourse questioning the status quo of such conceptions as citizenship, nationhood and community cohesion. Migration within the borders of the European Union and above all external immigration has led to a phenomenon described as multiculturalism.

The End of Multiculturalism? Immigration and Integration ...

The German chancellor, Angela Merkel, has courted growing anti-immigrant opinion in Germany by claiming the country's attempts to create a multicultural society have "utterly failed". Speaking to a meeting of young members of her Christian Democratic Union party, Merkel said the idea of people from different cultural backgrounds living happily "side by side" did not work.

The End of Multiculturalism? Immigration and Integration ...

The term multiculturalism has a range of meanings within the contexts of sociology, of political philosophy, and of colloquial use. In sociology and in everyday usage, it is a synonym for "ethnic pluralism", with the two terms often used interchangeably, for example, a cultural pluralism in which various ethnic groups collaborate and enter into a dialogue with one another without having to ...
