Teachers' First Experiences with Global Projects: Emerging ...

As an educator, I believe that intercultural experiences have an important role to play in a world situation that is - to say the least - very confusing. This year, 2011, marks a decade since the tragic events of September 11. Today's undergraduate college students were eight to twelve years old in 2001 and consequently have spent their intellectually formative years with post-9/11 media ...
