mortar stores. For example, retail inventory management software for small businesses and other IT tools help "behind-the-scenes" business operations by guiding supply chain processes using big data analytics.

Technological Factors Affecting the Retail Industry

A hike into deep wilderness reveals spectacular views of towering peaks against a brilliant blue sky. Step back into the Old West during an afternoon walk on Main Street, where the locals you meet have colorful stories to tell. Later, as a glowing sunset paints the sky, you're already planning your return for the family ski trip.
