Opinion | I Won't Return to the Classroom, and You Shouldn ...

About six years ago, I was diagnosed with Type II diabetes. That's when all this stuff with my kidneys started. Then, things really took a turn last spring when I took a monthlong trip down to Ecuador. During my trip, I traveled to the Galapagos Islands for 10 days. The whole experience was great. I don't have any regrets doing it.

Can someone type "I love you" one thousand times for me ...

What you feel is controlled by the right side of your brain and language is controlled by your left side. If you use the word "love" 10 times a day with different situations, it losses power. Your left part or your brain does not get fully activated when you really mean "I love you" and want to get exited about it. 50% of your brain is a lot.

I Love Type 08 Times

I Love Type Series. The I Love Type series analyzes, deconstructs and reveals the roots the most interesting, esteemed and widely used typefaces. Testimonials - See what people are saying about us ...

We grew up watching this type of love on movie screens, in TV shows, and hearing bedtime stories of the prince and the princess who had that "happily ever after" ending. It's the love we all aspired to have and assumed would be easy to find. It's the starry-eyed love, usually happens when we are young, most likely in high school.
