Carl Jung on "Meditation and Imagination." The point of view described above is supported by the alchemist's remarkable use of the terms meditatio and imaginatio. Ruland's Lexicon alchemiae defines meditatio as follows: "The word meditatio is used when a man has an inner dialogue with someone unseen.

Alchemical Active Imagination

Jung termed it active-imagination, and Mr Raff definitely presents it as a very interesting way of self-improvement the early Alchemists (greek, arabian and middle-age europeans) already knew and practiced.

Jung and the Alchemical Imagination: Jeffrey Raff ...

Jung noticed that the ancient alchemists universally saw the process of meditation and imagination (imaginatio) as essential to the alchemical Work (see Psychology and Alchemy (Collected Works of C.G. Jung Vol.12) and other works). Raff builds on Jung's work here with his own concept of the Self in relationship with the ego, and how through imagination more of the Self becomes manifest to consciousness and in a more direct relationship with the ego.

Active imagination - Wikipedia

As Jung explained, the union of the conscious and unconscious results in individuation. In other words, this is the 'latent self' becoming transformed into what is known as the 'manifest self'. So there is a three-fold dimension to the psyche: the self, the transcendent function and the active imagination.
