Lords and peasants in a changing society : the estates of the Bishopric of Worcester, 680-1540 by Dyer, Christopher, 1944.

Steam Community :: Lords & Peasants :: Discussions

Peasants in the middle ages were mainly agricultural farmers who worked in lands that were owned by a lord. The lord would rent out his land to the peasants in exchange for economic labor. Peasants were tied to the land and were not allowed to move away from the land or change their profession unless they became freemen.
